### **REQUEST FOR EXPRESSIONS OF INTEREST**

**ZACL/DANS/EOI/31/2025: REQUEST FOR EXPRESSIONS OF INTEREST  
FOR THE DEVELOPMENT AND  
IMPLEMENTATION OF A COMPREHENSIVE  
DATA PROTECTION COMPLIANCE  
PROGRAMME**

#### **1.0 INTRODUCTION**

The Zambia Airports Corporation Limited (hereinafter referred to as the "Corporation" or "ZACL") is responsible for the development, maintenance and management of the four designated international airports, namely, Kenneth Kaunda (Lusaka), Harry Mwaanga Nkumbula (Livingstone), Simon Mwansa Kapwepwe (Ndola), and Mfuwe. The Corporation is also responsible for the development and maintenance of seven (7) provincial airports, and three strategic aerodromes, while also providing air navigation services throughout Zambia. The Corporation is further mandated to enhance safety and improve standards of service provision at these airports and in the Zambian air space.

#### **2.0 BACKGROUND**

In the 2025 budget, the Corporation has set aside funds towards the cost of acquisition of various goods, works and services.

As a data controller and processor, the Corporation collects and manages significant volumes of personal and sensitive information relating to employees, customers, partners, and stakeholders. The enactment of the Data Protection Act No. 3 of 2021 provides a legal framework for the regulation of the collection, processing, storage, transfer, and protection of personal data in Zambia. To

ensure compliance with the Act and align with international best practices on data protection and privacy, the Corporation seeks to engage a qualified consulting firm to support the development and implementation of a comprehensive data protection compliance program.

### **3.0 OBJECTIVE**

The overall objective of the assignment is to facilitate the effective implementation of the Data Protection Act of 2021 within the Corporation. Specifically, the consulting firm will be required to undertake the following:

- a. Sensitize the Corporation Management and/or Board on the Data Protection Act;
- b. Assess the Corporation's current data management and processing practices;
- c. Identify compliance gaps in line with the Data Protection Act, 2021;
- d. Assist in conducting benchmarking exercises with at least two National Airport Authorities that have already developed and implemented Data Protection Policies, Standard Operating Procedures, and Notices;
- e. Develop and implement policies, procedures, and guidelines to ensure compliance;
- f. Build institutional capacity through training and awareness;
- g. Support the establishment of a Data Protection governance framework within the Corporation; and
- h. Provide Data Protection Officer (DPO) services for a minimum period of one (1) year, while simultaneously building capacity within the Corporation to designate an internal DPO in the subsequent year.

### **4.0 SCOPE OF ASSIGNMENT**

The scope of the assignment includes, but is not be limited to, the following:

#### **a. Baseline Assessment and Registration**

The Consultant shall review the Corporation's current policies, systems, and practices relating to data collection, processing, storage, and

transfer, identify risks of non-compliance with the Act and develop a compliance roadmap to guide the Corporation in its data protection compliance journey and submit it for approval to the Data Protection Commissioner.

**b. Sensitization of Management and/or Board of Directors**

The Consultant shall develop training materials and come up with an agenda to facilitate a workshop to sensitize management staff and/or the Board of Directors on the Data Protection Act.

**c. Gap Analysis**

The Consultant shall assess compliance gaps against the requirements of the Data Protection Act of 2021 and relevant international standards in order to identify risks, vulnerabilities, and areas requiring remedial action.

**d. Policy and Framework Development**

The Consultant shall draft a Data Protection and Privacy Policy, guidelines, Standard Operating Procedures (SOPs), and data handling manuals. **The consultant shall also** benchmark with other Airport Authorities how they handle consent, data subject rights, breach handling etc.

**e. Institutional Framework**

The consultant will provide guidance on the designation of a Data Protection Officer (DPO) and provide support to the creation of a Data Protection governance structure within the Corporation.

**f. Provision of Data Protection Officer (DPO) Services for one (1) Year**

The Consultant shall provide Data Protection Officer services to the Corporation for a period of one (1) year. The period may be extended if need be.

#### **4.0 Requirements**
